MUSCOLJUAN

OF 1958

Published by the
Junior Class of
Muskingham College
New Concord, Ohio

The faculty processes past Brown Chapel on their way to the gym, where the convocation service took place.

President Montgomery is honored for twenty-five years

The Bell Choir and their director are shown with Mrs. Geneva Montgomery McIlvaine. The bells were dedicated at the luncheon which followed the convocation service.

Dr. and Mrs. Montgomery sit in the lounge of the upperclass women's dormitory, which was named Kelley Hall in honor of Mrs. Ruth Kelley Montgomery.

It was a proud moment for everyone when Doc Bob stood in recognition of the many good wishes which had come his way.

Student Council president, Neil Severance, expresses best wishes and congratulations on behalf of the student body.

of service

Among the memorable events which crowded the year 1957-1958, perhaps the most outstanding was the celebration of the twenty-fifth anniversary of Dr. Robert N. Montgomery's tenure of service as president of the college. November first was officially designated as the day of commemoration. Many leading educators and churchmen were invited to participate in the tribute to Dr. Montgomery which was shared also by Mrs. Montgomery at a morning convocation service. The principal speaker for the convocation was Dr. Thomas Clark Pollock, a Muskingum graduate who is dean of Washington Square College. He spoke on the responsibilities and attributes of a college president. A special honor was directed toward Mrs. Montgomery through the announcement that the new upperclass women's dormitory would be named Kelley Hall. Great progress has and is being made in all areas of the college under the leadership of Dr. Robert N. Montgomery. He and his wife well deserve the tribute that was paid them at this anniverstry celebration.

Mr. Finney congratulates Doc Bob as they stand on the steps outside Brown Chapel.

Their lives centered around religion and ceremony . . .

. . . in a rich and beautiful landscape

Long before the founding of Muskingum College, tribes of Indians roamed the lands where buildings now stand. The beauty of the land in every season attracted various tribes and the camp sites were numerous. The life of the Indian was carried on in the midst of ceremony and a crude type of education. Through the converging of these two areas of activity, the Indian brave was prepared to accept his responsibilities in his uncivilized world. As it was with the early Indian inhabitants of this area so it is with us at Muskingum today. The loveliness of the campus attracts and holds us and through our academic adventures and extracurricular experiences we are prepared to take our place in today's more advanced and highly civilized world of opportunity. It is the hope of the 1958 Muscoljuan that through the realization of the heritage which history has given us, we at Muskingum may be able to see our life in a more meaningful and revealing light.

These girls exhibit memories of the "Pages from the Past" for everyone's enjoyment at the Homecoming pep rally.

and ceremony

Entertainment in keeping with the Hawaiian theme at Sejuna 1957.

Organizations . . . pleasure--and preparation

Laurie Pierce and Ken Vaux, co-chairmen of the weekly Bible Study, make preparations for Friday night's meeting.

"Here, give it to me!" is the cry. The fun goes on at the Powder Puff football game, while the players try to decide which way to run.

Would you like some music enjoyment? Then listen to the Co-Eds.

for living

Candy, jewelry, china . . . anything your heart desires at the A.W.S. Bazaar.

The Muskie band goes through its paces at half-time.

First big get-together of the entire student body – the Y-sponsored all-college picnic.

The team makes its grand entrance to the field, ready for the game to begin.

Sports . . . agility, alertness--a vital part of growth

In the spring, a young man's fancy turns to thoughts of . . . intramural baseball.

Around the bon-fire, the student body wishes the team good luck before they leave for an away game.

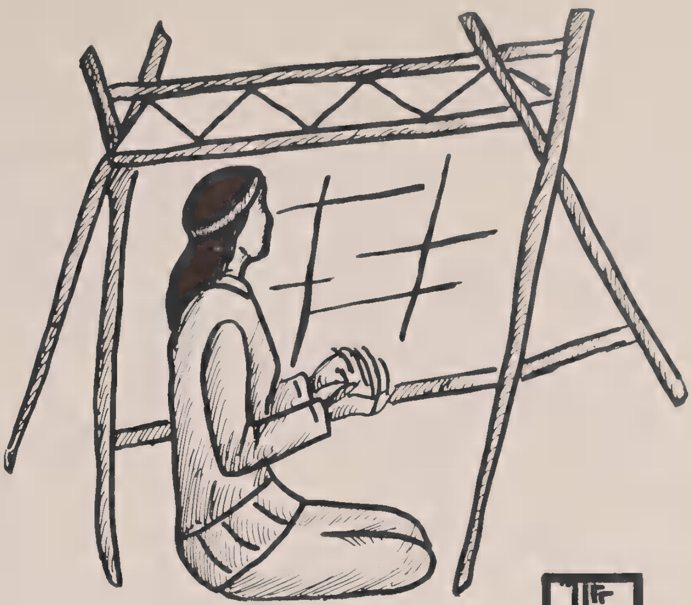
Come on! Let's hear everyone cheer!

The freshmen get to show their talents on stunt day of Dink Week.

Academic endeavor . . . the key to fulfilled opportunity

An abstract expression of thought—that's modern dance.

No more do we hear "Button Frosh!" for this is tribunal—the end of the sophomores' reign over the freshmen.



The combination of studying and socializing is carried on everyday between classes at Brown Lounge.

The seniors file out of the gym after graduation.

A Message from the President

A college yearbook is a memory book. The students who have spent the year 1957-1958 on the campus of Muskingum College will cherish this book because of its relationship to their college memories. People, places, events, activities — all are brought to mind by the pictures found on these pages.

Such a book as this one also serves the purpose of a directory. Not only does a student find the familiar faces of his classmates, his closest friends, and his own teachers, but he also finds pictures and information that help him to place other fellow-students as well as other members of the faculty and the administration. He is reminded of the place in our all-college life of other organizations besides the ones to which he belongs and of the college activities beyond the range of his individual program.

A college annual is also a record book. Within its pages the reader may find a record of the achievements of the various college organizations and the clubs, both honorary and social, a record of the achievements of the year in the fields of athletics, dramatics, and music, and a record of the special events of the year.

Whenever this book is shared with others who are not at the present time members of the Muskingum family, it gives a panoramic view of life on our campus.

I, a fellow-reader, extend my greetings to all readers of the 1958 *Muscoljuan.*

Homecoming, 1957

The queen and her attendants for Homecoming, 1957.

Co-chairmen of Homecoming — Art Zobel and Libby Taylor.

Students and alumni who participated in Homecoming, 1957, will remember this glorious occasion in their "Pages from the Past." Libby Taylor and Art Zobel as co-chairmen made this weekend a memorable one for all. Festivities were opened Friday night with a pep rally honoring the queen and her attendants. A bright Saturday afternoon created a perfect setting for the colorful parade of club floats and victory over Otterbein. Squeals of delight followed the announcement of the prizes — Kona and Ulster Clubs winning first prizes in the floats division and the F.A.D.'s and Sphinx placing first in house decorations. The Deltas and Mace came in second in both divisions. Grand prizes were awarded to the Konas and the Sphinx. As a fitting climax for the weekend, the Homecoming Dance was truly "An Affair to Remember."

The evening of November fifteenth found the women's gymnasium filled with many people enjoying a night of dancing. Under the direction of co-chairmen, John Lutes and Ginny Yeates, the theme, "Around the World in Eighty Days", was carried out with various parts of the dance floor representing different countries. The band stand represented Spain with its silhouette figures of a Spanish senorita and a bull and matador. There were a French sidewalk cafe with its checkered tablecloths and the Sphinx of Egypt set against a background of pyramids. Bill King and his orchestra added the final touch of wonderful music which helped to make the dance a success.

Freshman Dance

The Freshman Dance was held on Valentines Day, February 14, 1958, in the women's gym from 8:30 to 12:00 P. M. "Sweetheart Swirl" was the theme of the dance.

Couples danced to the music of Bill King. Co-Chairmen of the gala affair were Larry Schrock and Becky Cole. Among the events of the evening was the presentation of the freshman class queen and her attendents, and the second semester freshman class officers were announced through a tapping ceremony.

The Winter Formal, one of the biggest events of the school year, was held in the Men's Gym on January 11, 1958 from 9:00 to 12:30 p.m. Sponsored by the All-College Social Committee, this dance was organized and held under the capable direction of Ann Brownlee and George Sulzner, co-chairmen of the gala affair. The theme, "Frost Fantasia," was represented in decorations which gave the illusion of dancing in a winter wonderland of frosted snowflakes and of falling snow. A unique lighting plan added to the beauty of the dance floor as the couples danced to the melodious music of Jack Halkides and the Moonlighters.

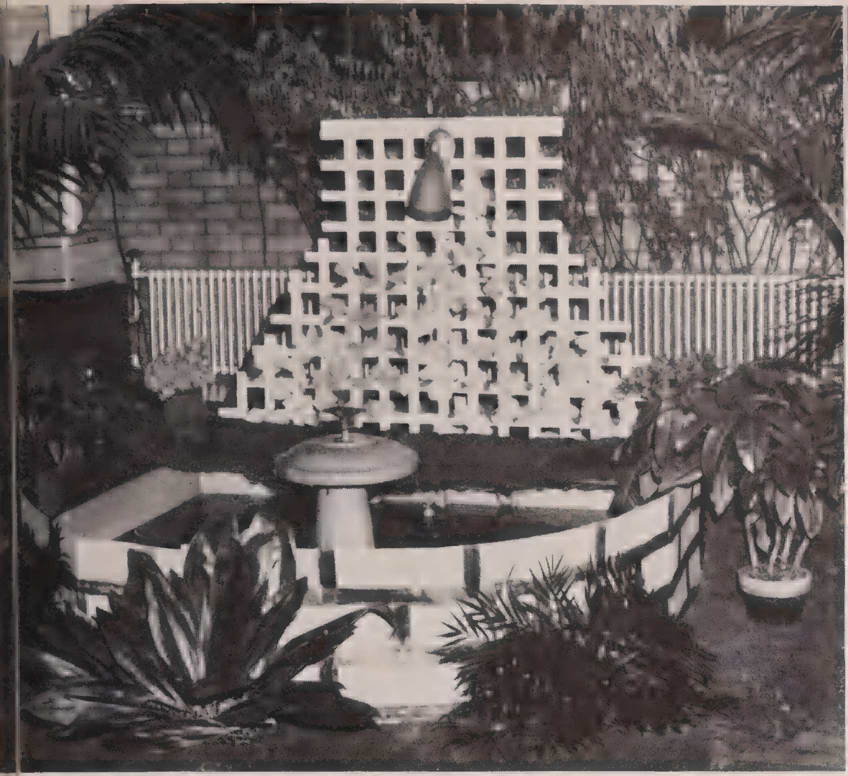
May Day -1957

The Wizard of Oz was the theme chosen by the Physical Education Department for the 1957 May Day program. Dottie Delassus was chosen the queen to reign over the day. The audience was taken into the Land of Oz by Dorothy, portrayed by Janie Richardson. Some things that will be remembered from the show are the stunts of the Munchkins, the witches dance, and the annual winding of the May Pole. A street dance was held in the evening to climax a memorable day.

Sejuna-1957

"Hawaiian Sunset" created the mood of enchantment by bringing the South Pacific to the men's gym for the evening of Sejuna 1957. In keeping with island tradition, each girl received a lei of Hawaiian flowers from her escort. Upon entering this land of paradise, we were swept into fantasy by the music of Larry Sonn and his orchestra. On one wall a tapestry picturing the seven islands provided the background for a huge, fiery volcano. A fountain and grass hut were used to denote the more peaceful aspects of Hawaii.



Hawaiian Sunset

Attired in gowns of the traditional colors of the seven islands, Judi Heslip, Junior Queen, Katie Hutchman, Senior Queen, and their courts were presented leis upon introduction. The royalty was then entertained by a group of Hawaiian dancers and a typical island love story narrated by Dave Philips.

The "Hawaiian Sunset" soon disappeared into pleasant memories for those attending the Juniors' tribute to the Seniors, under the supervision of Mary Morse and Bob Ransom.

Freshman Counselors

A year dedicated to others but with rewards unequaled—that is the student counselors' program. Thirty-four men and women had the opportunity for that experience this year. The women were chosen from the junior class, and the men from both the junior and the senior classes.

It was their responsibility to live with the freshmen, to help them to adjust to the college environment, and to find their places in the student life of Muskingum. The counselors were under the guidance of the respective Deans of Men and of Women.

Student Council was set up by the students of Muskingum in order to provide representative self-government, to advance the welfare and common interests of the student body and the College Community, and to provide experience and confidence in democratic practices. The Council is made up of its president and fourteen students, who are elected at large by the student body, and two representatives elected from the freshman class. Serving as the supreme executive instrument of the Student Body for coordinating all student organizations, Student Council meets regularly to discuss and take action on student problems and activities. Various committees are set up to handle special phases of the duties, such as school spirit, campus elections, social life, traffic, and student publications.

The organization serves as the joint student-faculty instrument for conducting affairs of the college community. Its primary purpose is to act as a campus forum for the exchange of opinion on matters concerning the welfare of the college community, with power to take actions regarding it, and to make recommendations to administrative and student organizations. Its areas of administration include management of the Student Chest budget and election of faculty members of the *Muscoljuan* and *B &M* Boards of Control. Community Council's regular bi-weekly meetings are held in Brown Lounge and occasionally at the home of Dr. Glenn McConagha.

All-College Social Committee

The Social Committee is a democratic and representative body organized to maintain a social-recreational life at Muskingum which is to be an integrating factor in the total life of the college.

Every Tuesday afternoon, members of the committee meet and dicuss issues of campus activities. The college is represented by two faculty advisers, the Dean of Women, a member of each social club, an independent student, and members from various other campus organizations.

The committee sponsored such events as the Winter Formal, open lounges, open kitchens, all-college movies, and informal dances. Its main purpose is to coordinate campus activities.

The Association of Women Students, formerly known as the Women's Activity League, has as its objective the development of womanhood at Muskingum. The primary purpose of this organization is to unite the activities of the women at Muskingum College in an effort to promote and maintain the highest standards of intellectual and social life and to develop a feeling of mutual responsibility in the regulation of their life at Muskingum.

A. W. S. is composed of representatives from each women's organization on campus. Every woman on campus is included as a member of A. W. S.

Throughout the year, A. W. S. is busy sponsoring the Lantern Parade, organizing Monday afternoon coffee hours, fort exchange, the Christmas Bazaar, and many other activities.

A. C. E. I.

The A.C.E.I., a branch of the Association for Childhood Education International, is open to all elementary education majors and other students interested in this field. The organization's purpose is to foster growth and understanding in childhood development. Their programs helped broaden the group's understanding of children and prepare the students for teaching. The special project of A.C.E.I. this year was to make tray favors for the mental hospital in Cambridge. During the year, the group visited an orphanage and entertained the children there. Several of the girls represented the Muskingum branch of A.C.E.I. at the national meetings held at other colleges.

By joining A.C.E.I. the students become connected with the international organization and are entitled to the material and help available at the national headquarters.

Home Economics Club

Officers Sue Haidle, Joanne Folsom, Shirley Johnston, and Ann Messersmith.

The Home Economics Club which meets one Tuesday a month is open to all students enrolled in Home Economics classes. It is affiliated with the American Home Economics Association as a member of the College Home Economics Clubs in Ohio. Under the leadership of the adviser, Mrs. Hazzard, and the president, Shirley Johnston, programs were set up which brought speakers to campus to speak about the latest fashions and the various fields of home economics. The functions of the club included a picnic in the fall, taking part in the A. W. S. Christmas bazaar, a Christmas dinner for the club members, and serving refreshments for various events on campus.

The Forensic Club is made up of all those who have attained intercollegiate ranking in oratory and debate. The club, a member of the national and state associations as well as the Civic Oratory Association, strives to promote and to strengthen intercollegiate forensic activities. Under the guidance of Dr. Layton, they helped plan the annual freshman debate tournament in the spring in an effort to help freshman to improve their speaking and debating abilities. They also gave orations for clubs. Leading in the area of service was Bill McIntyre, college orator. He participated in the state oratory contest at Baldwin-Wallace College on March 21 and 22. This is an event which Muskingum has won the last three years.

HONORARIES

Who's Who

A group of seniors were honored by being granted membership in Who's Who among Students in American Universities and Colleges. They were selected by a joint committee of faculty members representing each academic area appointed by the Dean of the College and students appointed by the president of the student body.

Entrance into this national organization signifies recognition of the senior's scholarship, participation and leadership in academic and extra-curricular activities, citizenship and service to the school, and promise of future usefulness.

O. O. O. O.

O. O. O. O. is a local honorary fraternity established to recognize outstanding qualities of scholarship, leadership, and character in members of the junior class, senior class, and faculty. It recognizes the ideals, spirit, and tradition of Muskingum as important in the creating of an adequate personality; therefore, the organization strives to encourage these traditions and seeks a perspective of life that will develop able citizens of the world.

Senior Women's Honorary

Senior Women's Honorary is composed of ten per cent of the women in the senior class. It is chosen on the basis of leadership, scholarship, creativity, world-mindedness, and the ability to mold public opinion. At monthly meetings with their advisers, Miss Orr, Mrs. Layton, and Mrs. Hutchison, they discussed campus and world-wide problems. After selecting and reading a book, they discussed it critically in their meetings.

Starting with Freshman Week, they were busy all year serving whereever they were needed. Two of their projects were selling hot dogs at the Homecoming Game and making bookmarks.

Aside from their regular Monday meetings, some of their activities were a Founders' Day luncheon, parties for eligible freshmen, tapping ceremonies, and a Cwen Feast. They were proud to welcome a new co-adviser, Mrs. McConagha, to work with Mrs. Montgomery and their honorary members, Miss Orr and Mrs. Layton.

In an even more practical sense, the members assisted with many functions such as Freshman Week, High School Guest Day, an after-game dance, and a party held for new students entering school the second semester. New members are chosen for "loyalty to the ideals for which Muskingum stands, an active interest in the welfare of the college, and scholarship." The officers for the year 1957-1958 were Jan Levy, president, and Ken Vaux, secretary-treasurer; Mr. Wesley Dykstra served as advisor.

CLUBS

Interclub Councils

This year has been an exceptionally busy one for both the Men's and the Women's Interclub Councils. It is their responsibility to integrate the social clubs on Muskingum's campus. Both councils are made up of three members of each club, one of whom is the president. They differ, however, in that the women require a junior and a sophomore representative, while those for the men may be from any class.

The councils each meet once a month to co-ordinate the activities of the clubs and to solve the problems that arise concerning them.

Both of the interclub councils have been faced with the task of revising their rushing systems. The proposed alterations must fit Muskingum's situation and be acceptable by each club so that a spirit of friendliness and co-operation will continue to exist between them.

The Albans won the Gold Cup for their date-rater, *The Albanac*, at the W.U.S. Carnival. Dave Weyrich was elected Mr. Muskingum and was crowned at the Powder Puff football game. Mrs. Conant, the new housemother, served the club well in her capacity as counselor and personal advisor. The splendid leadership of the officers, the spirit of the members, and participation in campus organizations and activities kept intact the club ideal of a body of men who were able to prepare for the future.

Mace

"We, the members of the Mace Club, in order to form a closer association . . ." Through excellent leadership and a cooperative spirit the Men of Mace have enjoyed another very successful year. This 35th year, the Men of Mace again continued to hold prominent positions in athletics, scholarship, and leadership of campus activities. The club received prizes in both the float and house divisions for Homecoming decorations. The social calendar showed a variety of events which began with the wiener roast after the Denison game and was climaxed with the Spring Formal. These things, combined with a capable pledge class, comprised another memorable year for the Men of Mace.

Stag

In the 48th year of existence, the Stag Club played a prominent role in Muskingum's activities. Members of the oldest club on campus participated in inter-collegiate and intramural athletics, debate, music, drama, oratory, and many other activities. A wide variety of social events, capable leadership, an admirable housemother, an active alumni, and a co-operative spirit were the dominant factors that constituted another successful year for the Stags. With an ever present bond of brotherhood and the addition of a pledge class of fine character, the future year holds promising opportunities. This year was termed, as each has been since 1909, one of the best.

Stoic

Members of the Stoic Club have enjoyed many and varied functions this year, ranging from the Coffee Hour to the Caveman Party. We feel that each member has moved in the direction of complete development of his personality in relation to activities with other people. The old red house of three gables on the corner of Comin and West High Street has seen many good times in the academic year 1957-1958. The Stoics are looking forward to another successful college year in 1958-1959.

Ulster

Eleven years have now passed since a group of individuals broke the *status quo* on campus by founding a new social unit, The Ulster Club. In those eleven years the Ulstermen have strived to emulate ideals for which the club originally stood: service, leadership, and scholarship. This year, as in the past, Ulstermen have participated in nearly all phases of campus life, especially in the realm of scholarship. Not content, however, with resting upon that which has gone before, the club looks forward to continued and increased vital, profitable fellowship at Muskingum College.

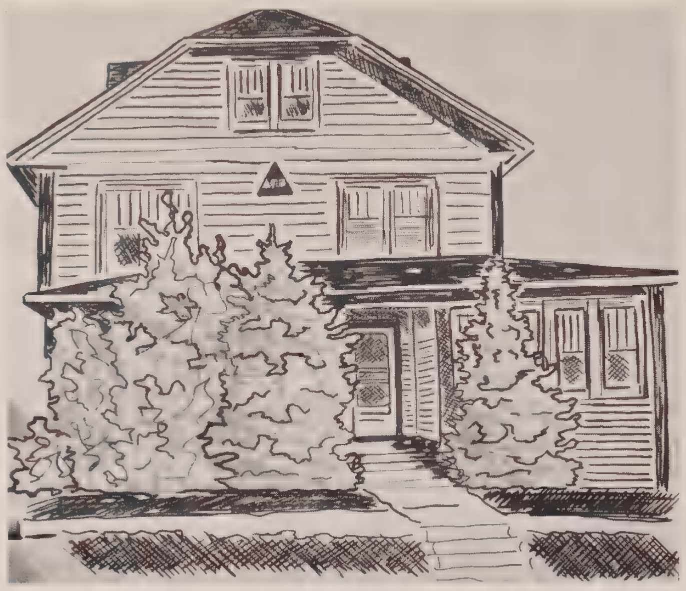
Delta



"Delta Gam, we're for you" expresses our feeling as this fun-packed year passes. Homecoming for us was highlighted by Jody Mason's reign and by the prizes that both our house and float decorations received. The warm glow of happy memories comes to us as we recall the Christmas parties, the Open House, and the Blue Rock picnic. The excitement returns as we think of the Lounge Party, the Chicken Box, and best of all, the Spring Formal. All these and many more memories prove to us the "love and loyalty" that to us means — Delta.

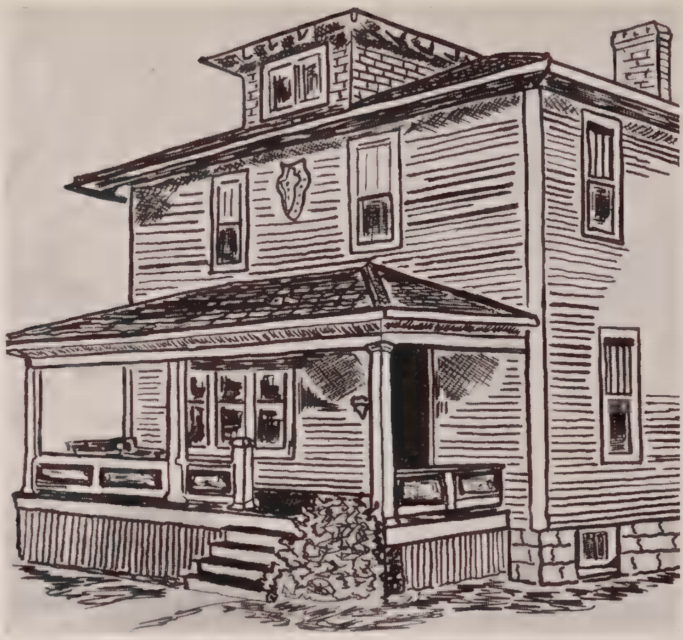
F. A. D.



"F. A. D. we cherish thee, thy ideals will ever guide us . . ." As we take a quick glance back at the past year's various activities, many pictures come to mind of the good times we have shared in fun and fellowship. The planning and work of our Homecoming committees resulted in our placing in both house and float decorations. Various extra-curricular projects — teas, parties, dances, a seranade — were all a part of our active year. The Spring Formal at the Cambridge Country Club was the climax of a happy year of club life. Indeed, "we will keep our faith in F. A. D." forever.

Kianu

"You know she's the one who has all the fun, for she's a Kianu" . . . The Kianu Club celebrated its thirtieth anniversary this year with a variety of activities.

At Homecoming we welcomed our alums to a beautifully redecorated house! The occasion was made even more memorable with Christine Henderson and Jan Higgins serving as attendants to the queen.

The excitement and gaiety of the holiday season were reflected in our Christmas party. Our serenade, house party, and square dance provided fun for all of us.

The highlights of the spring — our picnic, the senior dinner, and the Formal — concluded a wonderful year which strengthened our love in Kianu.

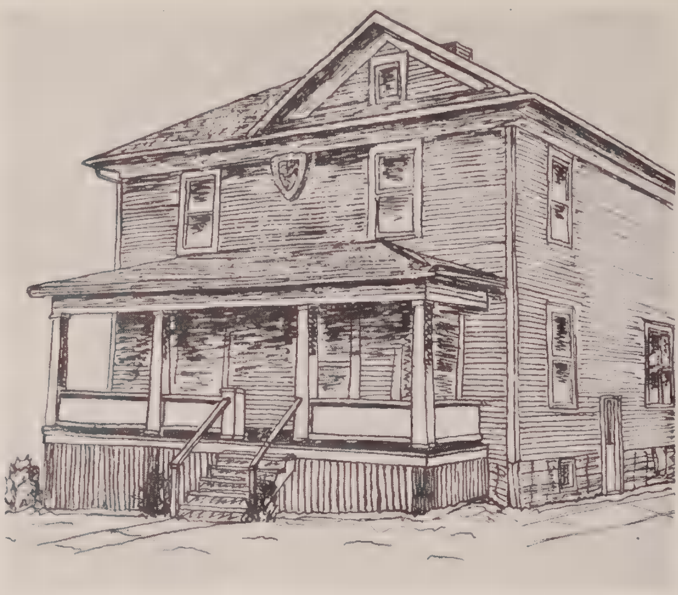
Wawyin



"Wawyins are we, and that we're proud to be" is the song heard from the gals of 156 Montgomery as another wonderful year draws to a close. Fresh are the memories of the fun and hard work involved in redecorating the club house; and, of course, everyone recalls the very nice addition to the House at Homecoming — the TV set — a gift from the alumni! The Lounge party, picnic, and Spring Formal are events the Wawyins won't forget for some time to come. They are memories which make vivid the desire to be "Wawyins Forever."

Football

Assistant coach Bob Stokes, head coach Ed Sherman, assistant coach Charles Kruzan.

The Muskies open the 1957-58 football season at home against a tough Geneva College eleven. The game proved to be a close, well fought contest with Muskingum posting a 13-6 victory.

Before a crowd of 31,000 in the Akron Rubber Bowl, Muskingum blasted the title hopes of the Akron Zips 26-7. This proved to be the only loss Akron suffered all year. The Muskies scored twice in the second quarter on a pass from Beach to Frazier and a two yard plunge by Frazier. In the fourth quarter Muskingum chalked up two more scores in a drive by Cooper and an intercepted pass by Lofstrom. The only Akron tally came in the fourth quarter when they plunged into the end zone against the Muskie third string.

Before a capacity home crowd the Muskies dropped a close, hard fought contest to the visiting Big Red of Denison. On the first play after getting control of the ball, Denison went 81 yards for a touchdown. Early in the second quarter Muskingum's first score came on a run by Frazier. Frazier increased the Muskie's one point advantage when he again hit pay dirt in the third quarter. In the fourth quarter Denison scored twice. The final marker was made with one minute remaining in the game.

In the next game, the flu-ridden Muskie squad traveled to Wittenberg where a strong Lutheran team posted a 33-7 victory before a large Homecoming crowd. The score at the half was tied at 7-7. However, the weakened Muskies were unable to keep the pace set in the first half.

The path to the hill.

After shaking off the effects of the flu-epidemic, the Muskies stormed back to defeat a good Wooster eleven 16-0. Early in the first period Frazier plunged from the one yard line for the first score. Carlisle then kicked a 28-yard field goal to widen the margin in the third quarter. The final tally came late in the third quarter when Cooper cracked the Wooster line from two yards out.

The Muskies were handed their third defeat of the campaign by the Student Princes of Heidelberg. Completing two passes in the first quarter enabled Heidelberg to tally their forst touchdown and lead 7-0 at the end of the first quarter. An intercepted pass by Carlisle, and the fine running of Pletcher and Frazier, and a pass from Beach to Montgomery scored the first Muskingum touchdown. The second touchdown by Muskingum came on a pass from Beach to Middleton. The two teams played on even terms until the final three minutes when Heidelberg gained their winning touchdown.

A large homecoming crowd viewed the game in which the underdog Muskies upset Ohio Conference leading Otterbein. The Cardinals were never in the game, and the strong Muskingum team scored at will. Their victory gave the Muskies a 3-3 Ohio Conference record.

In the Shrine benefit game played at Zanesville, the Muskies emerged victorious over a young Marietta team. Losing 26-0 at the end of the first, the Pioneers were completely demoralized. Throughout the contest Muskingum scored as they pleased and the Muskie bench was emptied. The game is shown not only by the score, but by the statistics. Marietta's only threat came in the third quarter when they penetrated to the Muskie fourteen yard line. Eight Muskie gridmen hit paydirt. Frazier, Middleton, and Myers each tallied two touchdowns, and Beach, Bright, Pletcher, Cooper and Storts scored one apiece.

Muskingum finished the campaign with a 7-33 loss to a strong University of Toledo team. Thirteen seniors played in this game in which they were outclassed by a larger team. After a scoreless first quarter, both squads scored in the second period. Sophomore Bill Frazier scored the only Muskingum touchdown. During the second half, the Rockets rallied to score four touchdowns, enough to win the game. Muskingum finished the season with a 5-4 slate and a 4-3 record in the Ohio Conference.

Managers, Chuck Mock and Dick Brown.

Basketball

With five returning lettermen, the 1957-58 edition of the Muskingum basketball team turned in a commendable performance. A well-rounded team was responsible for the successful 13-7 campaign. Winning eight of their first ten games against highly recognized competition displayed the ability of this young team. An injury suffered by senior star Lenny Nelson, which limited his services during the remainder of the season, was a jolt to the Muskies. Even without Nelson, Muskingum compiled a 5-5 record for the second half of the season.

The fighting Muskies launched the season with victories over Heidelberg and Otterbein. Muskingum played its best game of the year by utilizing a conservative brand of basketball which completely upset the University of Youngstown. In this game in which the score was tied five times, Nelson's 57% mark in field goal attempts, along with the support of Young and Beil, was the main strength of little Muskies. This victory was followed by a 64-65 loss to Capital University.

Coach Burkholder in practice session with Muskie varsity.

NEXT HOME GAME

The eastern trip during Christmas vacation put Muskingum on the map. A loss to Geneva was avenged by the 57-55 upset over the University of Buffalo, and the trouncing of Gannon College.

Nelson's 24 points against Western Reserve and Young's 26 against Hiram boosted the Muskie record to 7-2. Nelson tallied 19 points, and freshman Don Benadum contributed 13 to defeat Waynesburg. Rival Denison upset Muskingum in a hotly disputed conference contest. Conference leading Wittenberg turned back the Muskies by a score of 49-64.

Freshman Dave Irvin sparked Muskingum in vitcories over Ohio Wesleyan and Kenyon. Leroy Beil set a season mark of 28 points in the renewed contest with Otterbein in which all Muskies scored. Toledo and Ohio Conference Champion Akron proved too strong for the weaker Muskingum team. Irvin and Young tallied a total of 24 points in the win over Mount Union and Beil, Frazier, and McClelland teamed together for a 92-80 lacing of Marietta. This Muskingum team finished with a 13-7 record and 9-5 Ohio Conference mark.

Another loss, at the hands of the Denison Big Red was followed by the 111 to 16 romp over Bethany College. Bethany failed to win a first place as Muskingum completely dominated the meet. By winning twelve firsts and nine seconds, Muskingum defeated Otterbein and Hiram in a triangular meet. A strong Akron squad pinned a loss on the Muskies on the Akron track. In the final meet the Muskies whipped the Wittenberg cindermen to win 64-63.

Competing against much larger schools, the young Muskingum Cross Country squad compiled a 4-4 record and finished second in the Ohio Conference. Ken Sharp and Bob Wood placed fifth and sixth respectively in the conference meet.

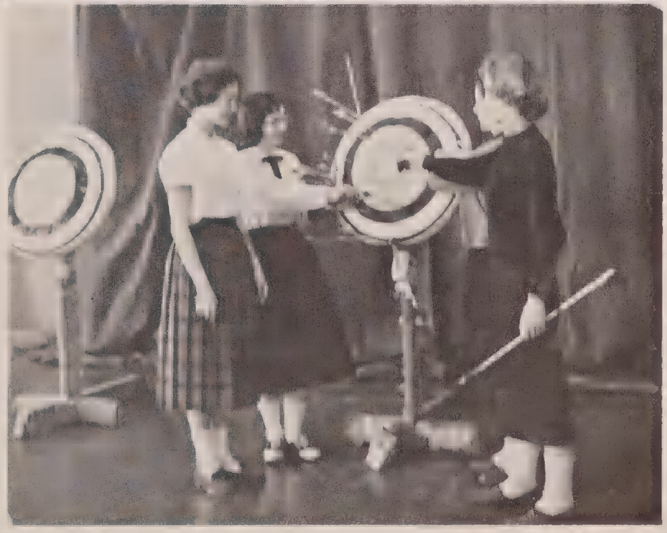
During the college year, W.A.A. sponsors square dances, play days with other colleges, all-college sports nights, and one of the outstanding events of the year, May Day. Fall and spring banquets are held each year for the installation of new members and the presentation of various awards to those of outstanding merit. Membership and awards are based on the point system. Participation and membership in the Muskingum Women's Athletic Association offers enjoyment and healthful learning to all college women.

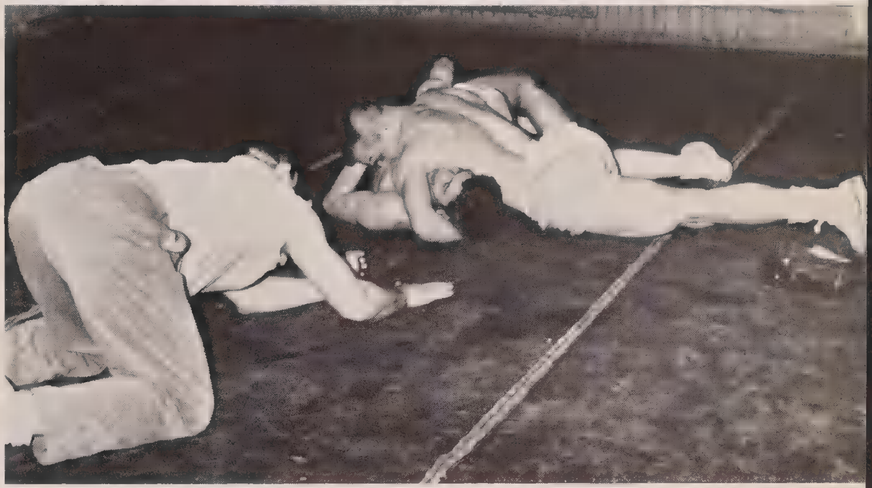


Women's Sports

Intramurals

The Muskingum intramural program offers opportunities for all Muskingum men to participate in sports. A well-rounded program which includes football, basketball, volleyball, ping pong, swimming, wrestling, handball, track, softbal, tennis, badminton, and bait-casting is planned by Mr. Kruzan.

Points are given to the club or freshman section winning each event. Medals are given to the individual members of the dorm team and a plaque to the men's club with the highest number of total points.



Varsity cheerleaders: J. Shaffer, N. Paddock, P. Marshall, J. Mason, J. Higgins.

Cheerleaders

Ability, vitality and personality are the qualities for which our cheerleaders are chosen. At various pep rallies, chapel programs, and the football and basketball games, the cheerleaders not only make a fine showing themselves but lead students in cheers and support for our school and our teams. During the past year, the cheerleaders have worked hand in hand with the newly formed Booster Club. The Student Council picks the new cheerleaders each fall, and the girls lead the teams and student body in enthusiastic support of Muskingum.

Freshman cheerleaders: S. Lobb, V. Smith, M. Wertz, J. Faunce, M. Jamail.

Varsity cheerleaders lead cheers.

Swim Club

The members of this year's Swim Club were divided into four groups, according to their ability. These groups, the Synchronettes, Aqua-Larks, Swim Fins, and Water Logs, practiced to perfect their skills used in the annual Aquacade, which was presented on the seventh, eighth, and ninth of January. The theme for the program was "Aqua Hues." Ruth Buchanan and Carol Kistler served as co-chairmen, working with the adviser, Miss Clawson.

The program included twelve scenes, In the Pink, Deep Purple, Yellow Seas, Red Sails, Gay Plaids, Blue Tango, Silver Moon, Battleship Gray, Platinum Blonde, Old Black Magic, Blue Violins, and Green sleeves, each revolving around a chosen color scheme. With matching costumes and corresponding music, the Swim Club members displayed their abilities through stunts, pantomines, duets, and synchronized swimming.

CLASSES

Class officers: Art Zobel, president; Gordon Thompson, vice-president; Janice Cunningham, secretary; and Louis Oswalt, treasurer.

The class of '58 has been climbing its imaginary ladder for four years now, and has finally reached the top rung — Graduation Day. But let us reflect awhile upon those lesser rungs which compose this ladder.

First of all there was the anxiety and humility of freshman week, followed by the thrill of going club. Then we recall the gay parties and exciting dances which were anticipated for weeks in advance. And even the small "get togethers" in Brown Lounge hold fond memories.

But above all, these years at Muskingum have offered to us Christian fellowship which has created ideal and lasting friendships, the root of successful living.

With these qualities, we as seniors, depart from these sacred halls and make our way in a new realm of life.

The Junior officers: John Norris, president; Sam Speck, vice-president; Ann Hill, secretary; and Martin Runkle, treasurer.

The Junior Class was eager to return this year and assume the responsibilities of upperclassmen. Some of the members were back earlier than usual. A group of men and women, who had been appointed as counselors for the year, were on campus in the very earliest days of September making preparations for the Freshman Class with whom they would be mostly associated. The class' third year at Muskingum was started in the right way when a member of their class was elected Homecoming Queen for 1957. The publishing of the yearbook with some of the work having been started the spring before was one of their main projects. The social highlight of the year came in Sejuna time. The plans for the "biggest dance of the year" were the responsibility of the Junior Class

Sophomore officers: Jim Stuckey, president; Jan Levy, vice-president; Carole Kelso, secretary; and Jim Nieman, treasurer.

The Sophomore Class made their presence known on campus in the earliest days of September by welcoming the freshmen with Dink Week and an "unbelievable" Tribunal. Their picnic, which was held shortly after the school year began, was a great success. "Around the World in Eighty Days" was the theme of the Soph Hop. The class as a whole was happy to return to their campus and see their fellow classmates and friends, who, only a year ago, were complete strangers.

Class of 1961

First semester officers: Charles Curtis, president; Bill Foraker, vice-president; Sonny Green, secretary; and Carol Proctor, treasurer.

Second semester officers; Bill Foraker, president; Dick Crawford, vice-president; Mary Grey Shidemantle, secretary; and Janet Faunce, treasurer.

Yes, we're frosh! Fresh, but eager frosh, ready and willing to learn the ways of college life. And no better means for learning could be created than that of Dink Week. "Oh, oh, here comes an upperclassman!"

This week, we soon discovered, was only the beginning, for Homecoming soon followed with all its myrth and splendor. Everyone busily planned for dorm decorations, and though we hate to boast, we must add that Patton Hall won first prize.

Dances, parties, and club rushing followed, but through this splendor we took time to follow Christ, for we, the class of 1961, want to become the best future leaders of America possible.
